## Pennsylvania Hunt Cup Committee

P.O. BOX 100 • UNIONVILLE, PENNSYLVANIA 19375

*Dear Friends of the PHC,*

*The Pennsylvania Hunt Cup Committee invites you to join us for the 83rd running of the historic 501 (c)3 Pennsylvania Hunt Cup races. We will once again join our friends on the rolling hills west of Unionville on Sunday, November 5th, 2017 in support of our worthy beneficiaries. From 1921 until 1953 the PHC took place outside of Whitemarsh, Pennsylvania. The races were renewed in 1964 on the present Unionville course, where it is run according to the standards set by the Committee. This past year the Pennsylvania Hunt Cup Committee achieved its goal of contributing over one million dollars (\$1,038,600) to a variety of community based organizations including hospitals, land conservancies, local school programs, and at risk children since the 1964 renewal. Our main 2017 beneficiary is again the Chester County Food Bank, Inc. whose innovative and educational programs aim to reduce hunger and address the root causes of poverty in our community.*

*We invite you to partner with us as a sponsor, subscriber, contributor or advertiser. Enjoy a thrilling day of racing with friends and clients, while supporting our exemplary charities. Our lead sponsor will have use of "The Ruins," the premier location on the race course for entertaining and race viewing.*

*Thanks to you the Pennsylvania Hunt Cup Committee contributed \$50,000 to the CCFB in 2016. Your generosity allows us to share our goals and our race day with you. Jay Meister, Kathee Rengert, and the Committee would be pleased to discuss sponsorship opportunities with you. Please "like" us on Face book and follow our journey to the 83rd running of the Pennsylvania Hunt Cup races.*

*Sincerely,*

**The Pennsylvania Hunt Cup Committee**

## The Tradition

The Pennsylvania Hunt Cup is a Timber steeplechase race with a distance of four miles and 22 fences, over fair hunting country. From its inception it has been intended as a substantial test of both horse and rider, and is one of just three 4-mile steeplechase races sanctioned by the National Steeplechase Association. First run in 1921 over a course in Whitemarsh, PA, the race moved to the present location in Unionville, PA in 1964, where it has been held annually since. Over the years the race meeting has grown so that the race day card now includes three sanctioned timber races, one flat race and the Pennsylvania Pony Hunt Cup for children.

The self-perpetuating Pennsylvania Hunt Cup Committee administers the Pennsylvania Hunt Cup Races. By charter, the purpose of the committee

is to raise money for local charities and the organization has achieved exemption under Section 501(c)(3) of the Internal Revenue Code. Since 1964 over \$1,038,600 has been donated to a variety of charitable organizations.

As an "open" race, the race conditions make no distinction between amateur and professional riders or the previous race records of the horses eligible to be entered. Run over "fair hunting country" means the course approximates conditions found during a day of foxhunting in Pennsylvania, albeit more rigorous than the average hunting experience. It is differentiated from a "park" course that usually involves more consistency of terrain and obstacle, and often places more emphasis on speed in the competition.

While speed may be required to

win over fair hunting country, the athleticism and experience of both horse and rider required to navigate changing terrain and fences varying in size and type are major components in achieving a favorable outcome. The course consists of 4 miles of rolling countryside and 22 fences of stacked rails, board and post and rail, with heights ranging from 3ft. 6in. to 4ft. 2in.

The Pennsylvania Hunt Cup Committee is dedicated to maintaining the integrity of the Pennsylvania Hunt Cup as an outstanding sporting event, and recognizes that preserving and protecting the course over which the race is run is a critical part of that obligation. We are indebted to the landowners whose land is vital to the continuation of both our historic race meet and our fundraising goals. 🇺🇸

## Sponsorship Opportunities

Sponsorship of The Pennsylvania Hunt Cup races offers the perfect opportunity to entertain clients, business associates, colleagues, family and friends while showcasing your business to the race day audience. Corporate sponsors receive numerous benefits on race day and throughout the year.

Sponsorship opportunities are available at all levels, with exciting benefits to match. Most importantly, your assistance is helping to improve the quality of life of economically challenged Chester County citizens through food distribution, gleaning gardens and nutritional education. The Committee thanks you in advance for your generous support!
