PARTNER WITH US

In the Race Against Hunger in Chester County

For more than 90 years, the Pennsylvania Hunt Cup has brought together world-class timber racing, the traditions of foxhunting, and a community committed to giving back. First run in 1921, the Hunt Cup is one of America's most respected steeplechase events and one of only three four-mile timber races sanctioned by the National Steeplechase Association.

Today, that tradition serves a greater purpose.

Every year, thousands of spectators gather in the beautiful countryside of Unionville for an unforgettable day of racing, hospitality, and community while helping raise funds for the Chester County Food Bank. Your sponsorship helps preserve this historic event while providing nutritious food to families throughout Chester County.

Whether your support is motivated by philanthropy, client hospitality, community involvement, or business visibility, your partnership makes a meaningful difference.

We invite you to become part of the next chapter in the Pennsylvania Hunt Cup's remarkable legacy.

Andrea Collins, PHC Race Director

PENNSYLVANIA HUNT CUP

Why Partner With Us?

The Pennsylvania Hunt Cup has always been made possible by the generosity of sponsors who believe in preserving a cherished tradition while supporting our charitable mission.

The sponsorship levels in this brochure are a starting point—not a fixed package. While many sponsors simply enjoy a day at the races with family, friends, or clients, others prefer additional hospitality, advertising, or promotional opportunities. The following pages outline the sponsorship benefits available and their respective values, allowing you to build a package that best reflects your interests and level of support.

Whether your priority is giving back to the community, entertaining guests, or increasing your organization's visibility, we'll be happy to help you create a sponsorship that's right for you.
